FISCAL ACCOUNTING AND REPORTING

The Superintendent shall be ultimately responsible for receiving and properly accounting for all funds of the District.

The District’s accounting system shall be in conformance with the New Hampshire Financial Accounting Handbook published by the State Department of Education. The accounting system must provide the necessary information for the efficient administration of the schools, and to give assurance to the Board and its constituents that school district funds are accounted and administered in a proper manner.

The Board shall receive monthly financial statements from the Superintendent showing the financial condition of the District. Such other financial statements as may be determined necessary by either the Board of the administration shall be presented as found desirable.
