SPECIAL USE OF SCHOOL BUSES

School bus services may be used for student field trips and school activity purposes. However, such use must necessarily be limited. School buses must be used, first, for regular school transportation.

The administration will develop and the Board will approve specific regulations relating to the use of buses for field trip purposes. The Superintendent, will be granted authority to approve the use of school buses for specific trips, within the above guidelines and subject to the Board approval.
SPECIAL USE OF SCHOOL BUSES

Special Transportation for Educational Field Trips

School district transportation is to be provided by the current transportation provider. Arrangements should be made in a timely manner in advance of the event.
