ASSIGNMENT OF STUDENTS TO SCHOOLS AND CLASSES

The Superintendent of Schools shall present the Salem School Board a proposal for the tentative assignment of student enrollment by school and grade level no later than mid-January each year. The plan shall be recognized as a proposal that may be altered by changes in student population, budgetary consideration, and other unforeseen circumstances.

The Salem School Board may direct changes in the plan. The Superintendent of Schools shall assign students to schools in accordance with the plan adopted by the Board.

Students entering the elementary schools will be assigned to the building which serves the neighborhood in which they live. The boundaries of these neighborhoods may be adjusted from year to year in order to keep class sizes as nearly equal as possible.

Exceptions may be made by the Superintendent of Schools if deemed advisable. Exceptions may be made in cases of change of residence within the district, but preferably assignment to a new school be made at the start of the year.

The assignment of students to classes and to teachers is made by the principal.
