SCHOOL GUIDANCE AND COUNSELING PROGRAM

The Salem School Board is committed to ensuring a high quality school guidance program that is comprehensive, developmentally appropriate, fosters academic achievement and personal growth, and is provided to all district students in an equitable manner.

School district programs will include the following:

- Distribution of information and support to students and families about academic opportunity, community supports, and other relevant information.
- Coordination with national standards.
- Prevention, intervention, and crisis response services.
- Promotion of personal, interpersonal, health, academic, and career development for all students through classroom programs and other services.
- All provisions of NH Administrative Rules, Section Ed 306, Standards for Public School Approval.

School counselors at all grade levels shall collaborate with parents, students, staff, and community to remove barriers to learning and provide opportunities and supports that allow students to work to their full potential and achieve their academic and personal goals. Each school’s guidance counselor(s) are expected to develop programs or plans identifying student success in academic performance, social awareness, and career planning.
