Naviance Registration Instructions

Two ways in which you can log into Naviance:

1. You can register and create your own parent account, see directions below
   -Or-
2. You can log in using your student’s username and password

To log in using your student’s information just go the Naviance link located on the guidance homepage and enter your student’s username and password.

If would like to register and create your own account on Naviance please follow the steps below:

1. On the right hand side of the Naviance homepage click on “I need to register”

2. Under the registration code box enter your unique registration code. Then click register. If you do not have this code please contact your student’s guidance counselor for your registration code.

3. You will then be asked to create a User Name and Password for your Naviance account. Please use your personal email address as your User Name and a familiar password of your choosing. At the bottom of the page place a check in the “I accept” box and click the “Complete Registration” button.

4. After completing registration, please add the web site to your “Favorites” folder for frequent access.
