GRADE EIGHT CELEBRATION

The Woodbury School Celebration will be held at Salem High School on Thursday, June 9 beginning at 6:00 PM.

The celebration will be held in the Salem High School gym. Due to restrictions in seating and safety regulations, as well as the renovation project, each family will be limited to THREE gymnasium admission tickets. The tickets will be mailed to the primary address of the student prior to the celebration. If you will not be using all three tickets, please return any extras to the main office.

ATTIRE FOR CELEBRATION

As the celebration is a significant event, it is highly recommended that students dress in keeping with the occasion. Shirts and ties for boys and dresses for girls are appropriate attire. Jeans, shirts without ties, shorts, and formal attire such as tuxedos and gowns are not recommended.

PARTICIPATION REQUIREMENTS

All students who have completed the requirements for Grade Eight are invited to participate in transition activities. Any student being retained or conditionally promoted may not be entitled to participate. Students not entitled to attend activities will be notified as early as possible.

Normal school expectations in the area of academics, behavior, and attendance will continue during the last weeks of school. Students not living up to these expectations may be excluded from transition activities.

Thursday, June 9 will be the last day of school for Grade Eight Students. The last day of school for Grades Six and Seven students will be Friday, June 10, 2016.
