Concert Etiquette

As the performers have worked exceptionally hard, please be mindful of the following guidelines to ensure everyone has an enjoyable performance experience here in the Seifert Performing Arts Center!

1. Please refrain from taking flash photography during the performance, as it is distracting both to the performers on stage as well as other patrons.

2. Please silence all cell phones, beepers, and other electronic devices during the performance.

3. Please refrain from texting or any phone related activities during the performance, as it can be distracting to those around you.

4. If you must leave during a performance please do so quietly and discreetly.

5. If you return to the theatre while a performance is going on, please do not enter the theatre until you hear clapping as to not disrupt the performance experience both for the performers as well as the other patrons.

6. Parents, please be mindful of your young children ensuring that they remain seated and behaving at all times. At no time should anybody be on the stage except for those involved in the performance or production.

7. As this is a state of the art facility, please refrain from placing your feet on the seats in front or beside you.

8. A reminder that absolutely under any circumstances NO food or drinks (with the exception of water) are allowed to be brought into the theatre.

9. Before you leave your seat, be sure to take all trash with you and deposit it within the appropriate receptacles as you exit the theatre.
