VIDEO AND AUDIO SURVEILLANCE

The Salem School Board authorizes the use of video and/or audio devices on District property to ensure the health, welfare, and safety of all students, staff and visitors to District property and to safeguard District buildings, grounds, and equipment. The Superintendent or a designee will approve locations for surveillance devices. No devices will be placed in bathrooms or locker rooms.

Posted signs will notify students, staff and visitors that video and audio recording devices may be in use.

Persons recorded violating school rules will be held responsible for those violations.

The district will retain copies of video recordings and the Superintendent will consult with appropriate personnel to determine how and when such recordings should be deleted.

Videos/audios containing evidence of a violation of student conduct rules, school board policy, and/or state or federal law will be retained until the issue of the misconduct is no longer subject to review or appeal, as determined by policy or applicable law.
