Dear Parents:

Occasionally, due to weather or other unforeseen emergencies, Lancaster School may have an unplanned early dismissal. If we decide to close early, parents will be notified in the following ways.

1. You will get a voice message from the school district or the school.
2. You will get an email from our Student Management System (if your email is in our system.)
3. There will be a “Notification” sent through the SSD Parent App which will show up on your phone like a text message.
4. Postings will be made to the Lancaster Facebook Page and the Lancaster Twitter feed and these postings will be reflected on the SSD Parent App.
5. All school cancelations, delays, and early dismissals are announced on SLC6 and local TV and radio stations.

We will dismiss your child according to their regular routine for that day, unless you tell us otherwise. You can call the school 893-7059 or email jmacaskill@sau57.org or apagliarulo@sau57.org with changes. We will confirm your changes via email and notify your child of the changes before the early dismissal.

It may be helpful for you to know that the Boys & Girls Club remains open even during inclement weather. For Create and Discover parents you need to become aware of their procedures so please call 894-5250.

Sincerely,

Adam D. Pagliarulo
Principal
