Contact Information:  Ms. Maria Luca  maria.luca@sau57.org  603.893.7055  ext. 3106

Classroom Expectations:

1. Be prompt: make sure you are always on time.
2. Be prepared: make sure you have all of your belongings you need to succeed in math class.
3. Be positive: have a growth mindset and stay optimistic.
4. Be productive: stay focused on given tasks and use time wisely.
5. Be polite: be kind to all classmates and follow all Woodbury Handbook rules.

Materials:
- Pencil
- Binder
- Composition notebook
- Homework planner
- Math book
- Homework/assignments

Standards of Mathematical Practice: Throughout the year we will be focusing on becoming great mathematicians by using the standards of mathematical practice. These practices will help guide you in your thinking.

1. Never give up
2. Think about it
3. Talk about it
4. Model with math
5. Use math tools
6. Work carefully
7. Use existing knowledge
8. Find Patterns

Homework:
Homework in math will mainly consist of classwork that needs to be finished in order to move on for the next class period. However, there are times where homework is assigned for continued practice in the form of book work, worksheet, or MathXL. Homework is not always graded but should still be completed to prepare for new learning.

Grading:
Formative Assessments 25% (class assignments, investigations, homework, notebook activities)
Summative Assessments 75% (tests, quizzes, projects)

Retake Policy:
You may be eligible to retake a summative assessment in order to improve your score. You need to do the following:

1. Have a conference with me and fill out a self assessment form
2. Have parents sign self assessment form and correct/fix all mistakes
3. Bring evidence of corrections to me and schedule a time to retake assessment.

Math Topics:
- Factors and Multiples
- Understanding Fraction Operations
- Ratios, Rational Numbers and Equivalence
- Two Dimensional Measurement
- Computing with Decimals and Percents
- Focus on Algebra
- Statistics and Data Analysis

Late Work: All work should be completed and turned in on time. All work is due within the unit of study. Any late work not completed in the unit of study will be granted a 50%.

Absent Work: If you are out you need to check your assigned absent bin and turn in by however many days absent.
My signature below indicates that I have thoroughly read the course welcome letter provided during the first week of school. The letter contains important information about the course structure, student expectations, classroom rules, and the way in which students will be graded. Any questions or concerns should be directed toward Ms. Luca. My contact information is attached to the welcome letter :)
