GIVING TREE:

We would greatly appreciate donations of any of the following items:

- Play Doh
- Clorox Wipes
- Plastic Spoons
- Plastic Forks

DON’T FORGET:

Open House is Wednesday, September 12. I hope to see you there!

This week in Team 8

We have had a wonderful first five days kindergarten! I am enjoying getting to know each and every student in the class! We read many new stories, including Manners At School, How Do Dinosaurs Go to School, David Goes to School, Kindergarten Rocks, The Night Before Kindergarten, Oliver’s Fruit Salad, and Pete the Cat Rocking in My School Shoes. We have learned some new songs and have completed some fun activities, where we practiced drawing, writing, cutting, and gluing!

The kids have enjoyed exploring many of our choice centers, including sand table, library, legos, puzzles, blocks, computers, art, and imagination! We have enjoyed art and P.E. and are looking forward to library and music, as well!

We worked together to think about good choices and poor choices in our classroom. We then learned the rules of our classroom, so Team 8 can be a great place to learn and grow. Students pressed their handprint with paint on our rules chart as a promise to follow our rules. The students have worked hard to learn many new routines as well. These include unpacking, morning meeting, fire drills, playground routines, packing up, and more! If your child has come home tired, it is for good reason!

Our Classroom Rules

1. Follow directions quickly
2. Raise your hand for permission to speak or leave your seat.
3. Be kind and respectful
4. Be safe
5. Do your best and keep trying!

Questions? Comments? Concerns?
