BRIGHT STAR SHINING!

There's a bright star shining, one bright star shining, Let it lead you, let it lead you.
There's a bright star shining, one bright star shining, Let it lead you, let it lead you.

From the mountains and the valleys, no matter where you are.
King and pauper join the shepherds, everyone from near and far.
Start you journey little children, come and see the heav'nly light.
Hear the angels, they are singing. Good news they bring tonight!

There's a bright star shining, one bright star shining, Let it lead you, let it lead you.
There's a bright star shining, one bright star shining, Let it lead you, let it lead you.

Oh come, oh come to Bethlehem, Oh come, oh come to Bethlehem.
Oh come, oh come to Bethlehem, Oh come, oh come to Bethlehem.

There's a bright star shining, one bright star shining, Let it lead you, let it lead you.
There's a bright star shining, one bright star shining, Let it lead you, let it lead you.

Let it lead you, follow the star.

REMEMBER ME – from Coco

Remember me, though I have to say goodbye.
Remember me, don’t let it make you cry.
For even if I’m far away, I hold you in my heart.
I sing a secret song to you each night we are apart.
Remember me, though I have to travel far.
Remember me, each time you hear a sad guitar.
Know that I’m with you the only way that I can be.
Until you’re in my arms again, remember me.
