Dear Oak Families,

The Oak Team is very excited about a fun year of learning. Many enriching activities have been planned to enhance the education of your child. We are looking forward to the opening of the school year with our team building and cross curricular activities. We have planned a field trip to the Tsongas Industrial History Center in Lowell, MA to take place on November 30th.

Furthermore, a highlight for all students is their participation in the Winter and Summer Woodbury Olympics. Each team designs a t-shirt with their team logo to be worn at the Olympic Events.

In order to cover these expenses, we are asking that each child please make a one time payment of $21. The twenty dollars will cover the Tsongas Industrial History Center field trip ($15) as well as the Olympic T-shirt ($6). The permission slip below should be returned to your child’s co-advisor. Please make checks payable to Woodbury School.

We hope that you and your child are as excited as we are for the school year. There is so much to look forward to this year! Thank you in advance for your support.

Sincerely,

Team Oak
