Dear Parents:

As we near the winter season, it is important to review our weather related closings and delayed morning start process. When we close school or delay the start of the day you will receive an email (if your contact information is in our student management system), a Tweet, a Facebook post, and a notification on the Parent App from Lancaster. Information about these communication tools are on the Lancaster Handouts Page https://sau57.org/lancaster/handouts and are similar to how you get most information from the school currently.

Very rarely, due to weather or other unforeseen emergencies, Lancaster School may have an unplanned early dismissal. If we decide to close school early, parents will be notified in the same ways as above. We will add an additional layer by providing a voice message from either the school district or Lancaster. On these rare occurrences we will dismiss your child according to their regular routine for that day, unless you tell us otherwise. You can call the school 893-7059 or email jmacaskill@sau57.org or apagliarulo@sau57.org with changes. We will confirm your changes to their routine via email and notify your child of the changes before the early dismissal.

Additionally, all unscheduled school cancelations, delays, and early dismissals are announced on SLC6 and local TV and radio stations.

It may be helpful for you to know that the Boys & Girls Club remains open even during inclement weather. For Create and Discover parents you need to become aware of their procedures so please call 894-5250.

Sincerely,

Adam D. Pagliarulo
Principal
