Bobcat Best
by: Justin Baldridge

In September, the first Bobcat Best winners gathered in the gym with Paws. They were great role models and worked hard each day. The September winners played Pin Down with Paws from 12:00 to 12:20. At the end, they took a picture with Paws. "I think Paws time is a good way for children to get exercise and to encourage kids to work hard because if they do, they know they will get rewarded for it." says Matty Crocker, who was the September winner from Ms. MacCarthy's class. Make sure to be persevering and being a good role model in order to be the March winner!

The 3-on-3 basketball tournament took place on Friday, February 8th. 24 teams of 3 people each played after school. All of them hoped to win. After many, many games, the Bobcat Ballers won the 3-on-3 basketball tournament. On the Bobcat Ballers team was John Conway, Molly Mosto, and Mr. Mosto. The team was filled with talent and determination. The runners-up were the Salem Stepbacks, with Patrick Ross, Matty Crocker, and Ms. Parrill. The tournament was a great way for students (and adults) to build teamwork and basketball skills.

Festival of Trees
by: Chase Harnois

On November 30th families gathered at the Barron Elementary School for the Festival of Trees. The festival of trees is a way to gather with your family and have fun raffling and trying to win trees. And there's more than just raffling and trying to win off trees at the Festival of Trees including decorating cookies and arts and crafts activities. This year the festival of trees was a huge success there was a variety of trees from sweets and treats to camping and more. A big thanks to all the families that came to the event and donated money for the school. That money goes to fixing up the school’s playground! And Matty Sullivan had a few comments to say about the Festival of Trees this year. So this is what Matty Sullivan had to say “My favorite tree was Mrs. Tager’s tree with the candy and sweets, he also had to say that his favorite part of the event was to just look at all of the trees and how well decorated they were and how much effort was put into them.
